Dr. Kaminski - you have my word that:

1. I wrote this entire application myself in accordance with the guidelines in the course policies & syllabus and university policies of what's considered acceptable student academic conduct. Any code (longer than a couple lines) used in this assignment which was created by someone else (even if changed slightly) or was written jointly with someone else is both clearly attributed (in a comment in the code) and described on the BOTTOM OF THIS COVER PAGE.
2. Yes, the program code attached here **did** actually produce the log file which is attached here.
3. There was no editing of the log file after the attached program produced it (except perhaps the font, font size and/or page-orientation for printing).
